**When you enthrone the Nameless One in your mind-heart...you have to play a role in the drama of creation without being caught up in the duality. The unity of life has to be experienced and expressed in the very midst of its diverse experiences. All life is one, and all divisions are imaginary.**

Being the Avatar, I have come to awaken mankind, and would like the entire world to come to Me. Real saints are dearest and nearest to my heart. Perfect Ones and lovers of God adorn the world, and will ever do so....My salutations to all – the past, present and future Perfect Masters, real saints – known and unknown – lovers of God, and to all other beings, in all of whom I reside, whether consciously felt by them or not.
